The IDs for the sites I adopted

While I wait...

- I am a member of the Facebook group.
- I am watching the weather for nighttime temperatures of about 40 degrees or higher and rain.
- I am finding people to come with me.
- I scouted my site(s) during the daytime so I know where to park safely and where the action will likely be.

- Extra batteries
- Data sheets
- Rain gear
- Warm clothes (wool or synthetic)
- Snacks
